## Eleven Western Builders, Inc. Promotions and New Hires

*Vision. Quality. Integrity.*

Friday July 2, 2010

**Gene Chesterton**

### **Director of Retail Services**

Eleven Western Builders, Inc. is happy to announce the promotion of Gene Chesterton. Gene's new position will be Director of Retail Services

Retail Services is a division of Eleven Western Builders, Inc. It has the versatility to expertly assist our retail clients with any type of project - from managing new construction to the finer points involved in open store remodels and rollouts. Concurrent with new retail construction, they customarily manage multiple retail store conversions, remodels and rollout programs. From maintenance to fixturing, refrigerated cases to uniquely planned projects for special clients to multi-location rollouts, this division is able to complete any retail project with mastery.

**Steve Peeler**

### **Senior Estimator**

Steve Peeler has joined Eleven Western Builders, Inc. as Senior Estimator. His responsibilities will be to develop strategies to win projects, and successfully execute the process of completing budgets and bids for both remodel and new construction projects.
